Camp WAPO Registrations

Families, if you are registering your children for camp opportunities at Lake Wapogasset Lutheran Bible Camp (Camp WAPO), please note that the priority deadline is March 15. Can you still register after March 15? Yes, however it is very likely, especially for students in grades 4-12, that Resurrection's reserved spaces will be taken by then. Your child will be added to a waitlist. It is best to register early for [summer 2018](#). This year's theme is *Together--created for community*.

Register online [here](#) for the WAPO One Day opportunity, and [here](#) for the weekend or weeklong camps. These links bring you to Resurrection's reserved dates. To register for our Family Camp weekend, which will be June 15-17, sign up in Resurrection's office.

FIA Sign Up

Our faith is rooted in Christ. Through acts of service, we can show our loving kindness to those around us. Join us for faith in ACTION, **March 17 and 18** to share our gifts by branching out to serve in the world. There are many service projects to choose from during faith in ACTION weekend; some projects can be completed at Resurrection, while others will take you out to surrounding communities. For example, the Puppet Team will share their talents at a local nursing home and the Bible and Brew group is serving breakfast together at the Family Service Center. Others will stay at Resurrection to cut and sew projects for MN newborns and make items for dogs at the Humane Society. Youth are encouraged to serve together at Feed My Starving Children. Please review the complete list of projects and sign up [online](#). There is a project for all ages! Of course our service is not limited to one day or one weekend. It is available to us every day to share small acts of kindness with each other and *serve the world God loves*. For more information or with questions regarding faith in ACTION, please [contact Susan Asplund](#).
