# The Connection

In This Issue

To call all people to a vibrant life of faith in Christ

Come and celebrate the ministry of 2017 and hear about ministry goals and plans for 2018. Of course there is business to attend to but it is good to gather to pray and to trust that God will meet us in 2018. Childcare will be provided. See you Sunday.

## Ash Wednesday, February 14 - 7pm

Next week, February 14 is Ash Wednesday. Join us for worship at 7pm as we begin our journey through Lent. A special offering will be received during worship to support the Christian Cupboard Emergency Food Shelf.

The following Wednesday, February 21, our Lenten worship schedule will begin. Wednesday evenings start with a community meal available from 6 to 6:30pm. Worship and teaching will be from **6:45 to 7:30pm**. Our journey, titled "Believe It", will move us through the Apostles Creed, to the empty tomb of Easter, leading us to Resurrection. Let us journey together!

## Faith In ACT!ON Weekend - March 17 and 18

A sense of community can be built on sharing of experiences and love. Through Faith In ACT!ON, our Resurrection community can reach out to others in need. Our projects will serve those affected by poverty and hunger as well as those needing some affection and attention. For FIA 2018, we have a few projects confirmed but would love to get more ideas and project leaders so the whole congregation can participate. A project leader is responsible for making connections and confirming project details. Please contact Susan Asplund at [susan.asplund@comcast.net](mailto:susan.asplund@comcast.net) by February 19 with any project ideas, or if you wish to be a part of the project team. Mark your calendar now and save the date for Faith in ACT!ON, Saturday or Sunday, the weekend of March 17-18.

### **Trek to the Table Communion Workshop**

March 1 and 3 we offer a communion preparation workshop for children ready to begin receiving the gifts of communion. Suggested for students in grades 3 or 4, this parent-child session introduces children to the meaning of this special meal and provides materials for families to discuss at home. Participants bake communion bread too. Parents can register their child [here](#), for either session, and are asked to pick up a pre-class packet at church.
