

## Small Groups at Resurrection

This fall several small groups will be starting. Small groups offer ways to serve, grow, and connect. Types of small groups include: **Affinity** – some groups gather around common activities, hobbies or life stage. **Proximity** – some groups gather around location, such as neighborhood. **Service** – some groups gather out of a calling to make a difference, a common passion. **Pain** – some groups gather out of support for a painful experience in life.

What will a small group do? We encourage small groups to organize around 3 main practices: UP, IN and OUT.

UP – With God: We encourage our small groups to worship together. Ideally, a group can find a worship time to sit together.

IN – Through Community: Meet together at a minimum of once a month to engage in a focused time of fellowship, prayer, study and stories.

OUT – For the World: Each small group has a calling to be about the work of God's kingdom. As a group find a service project or a ministry mission that helps your group become more spiritually alive but also makes a difference in the world. Think of your group as a community on mission.

Please [contact Pastor Paul](#) if you are interested in joining a group, starting a new group, or talking more about the power of small groups.
